Install INVOICES 5-7 patch 25

Installation media can be found on the following path:

██

Unzip the file 2. INVOICES_5-7_Patch25_(16314).zip and follow instructions below.

1. Run 2. INVOICES_5-7_Patch25_(16314)\ INVOICES_5-7_Patch25(16314).msp
   a. Select "Update"

b.
2. Done

Prerequisites for this module in Software catalogue:

Please add the WMI Filter as following:
Only install if Package is installed: Kofax_Invoices████████_SCM_5.7.EN

Install Collector 6-4 HF26

Installation media can be found on the following path:

██

Unzip the file 3. COLLECTOR_6-4_HF26_(6.4.17258).zip and follow instructions below.

1. Run 3. COLLECTOR_6-4_HF26_(6.4.17258)\autorun.exe
2. Select "Install software" sedan "ReadSoft COLLECTOR"

   a.
3. Follow the wizard and use default values
4. Done

Prerequisites for this module in Software catalogue:

Please add the WMI Filter as following:
Only install if Package is installed: Kofax_Invoices_█████_SCM_5.7.EN
Only install if Package is installed: Kofax_Collector_█████_SCM_6.4.EN

Install InvoiceRules

Installation media can be found on the following path:
██

Unzip the file 4. Invoicerules1.91.zip and follow instructions below.

Run the setup: 4. Invoicerules1.91\InvoiceRules_v1_91.exe
Follow the wizard and use standard settings

Prerequisites for this module in Software catalogue:

Please add the WMI Filter as following:
Only install if Package is installed: Kofax_Invoices_█████_SCM_5.7.EN
Only install if Package is installed: Kofax_Collector_██████_SCM_6.4.EN
Only install if Package is installed: Kofax_InvoiceRules_█████_SCM_1.91.EN

Install ScanInfo

Installation media can be found on the following path:
██

Unzip the file 5. ScanInfo_v3_9.zip and follow instructions below.

Run the setup: 5. ScanInfo_v3_9\ ScanInfo_v3_9_setup.exe
Follow the wizard and use standard settings

Add configuration file eilocal.ini

Copy the file ████████████████████████████████████ to
████████████████████████

Attention! Depending on OS version (32 bit or 64 bit) the file need to be updated accordingly. Edit the file with "Notepad"

64 bit OS   Programs=C:\Program Files(x86)\Readsoft\INVOICES\Bin

32 bit OS   Programs=C:\Program Files\Readsoft\INVOICES\Bin

```
                                                    eilocal.ini -
